

# Creating A Miracle in America:

## 5 Steps Each of Us Can Take As Active Citizens to Help Our Country!

While we are all busy with our own lives, there are many easy, simple, and practical step that each of us can do to turn our country around. Consider the value of doing what JFK said: “*Ask not what your country can do for you, but what you can do for your country*” Join Aneta to learn how you can do ‘a little here’ and ‘a little there’ to help our country! Wouldn’t you agree the best way to start with ourselves instead of pointing one’s finger at anyone else to take the first step?
